

## Diaconate Highlights

*As each has received a gift, use it to serve one another, as good stewards of God's varied grace:*

1 Peter 4:10

Greetings Bethel Church family and friends,

As we step into a new season of ministry together, we want to take a moment to update you on where we've been, what's ahead, and how your faithful support continues to bless the life and mission of our church.

### Completed Projects & Ongoing Needs

We're thankful to report that several recent projects have been completed including the annual walkthrough of the Price House, Kendrick House, and the Manse. The Kendrick house interior has been repainted, water filtration has been added to the Manse, the balcony brass railings have been tightened and polished, and many minor repairs have been done. Your prayers and giving have made these improvements possible.

We are continuing to address a few important maintenance concerns, including obtaining reports on the condition of our buildings' roofs and the ongoing issue of discoloration on some of the ceiling tiles in the Family Life Center. We are actively working with professionals to assess and resolve these issues responsibly and with good stewardship. Updates will be provided as we receive more

information. Also, the floors of the Family Life Center are scheduled to be stripped and waxed soon. If you notice any needed repairs, please notify a deacon.

### Thank You for Giving

We are so grateful for your generosity toward the deacon's fund, which continues to meet tangible needs within our congregation and community. Your giving is an extension of Christ's love and care. We're also excited to express our gratitude for the many baby-care items donated through our drive for the Palmetto Women's Center! Thank you for standing for life and supporting this vital ministry through your gifts.

### Opportunities to Serve

Mark your calendars for Spring Clean-Up Day on May 17<sup>th</sup> — a chance to roll up your sleeves, work side by side, and help care for our campus. Other service opportunities include technology assistance, VBS, nursery, Worship Training, and 25-26 Kids' Quest. As we continue to grow in the grace of giving, may we do so joyfully, remembering that generosity is a reflection of the generous heart of our Savior. Thank you for being a church marked by faithfulness, service, and love.

Finally, if you or someone you know in our church family is facing a need — spiritual, emotional, or physical — please don't hesitate to reach out to your shepherding leadership team. We are here for you.

Blessing,  
Ethan Wallace  
Diaconate Chairman

this week

Sunday's sermon:

*The First Palm Sunday - Matthew 21:1-11*
